

“This product is so good ... He bought the Company”

Steven Gee

STEVEN GEE was 19 years old when he was diagnosed with having chronic eczema. His doctor prescribed cortisone based creams. These would work for a while but the eczema would come back.

cracked flaking skin. The transformation of my skin was so incredible 12 months ago I bought the rights to produce this wonderful product.

Since then I have received countless letters from people telling me of their own success stories.”

Robertson’s Medicated Skin Repairing Ointment is a gentle formula made from natural active ingredients. It is effective in treating eczema, psoriasis and other dry skin problems.

“The eczema was mainly on my face. It was dry, flaky and intensely itchy. I embarked on a frustrating search to find a solution to my problem.

I changed my diet, I used creams, washes, supplements, even acupuncture - nothing worked.

I suffered from eczema for five years. Then one memorable day my wife returned home from a health food store with a jar of Robertson’s Medicated Skin Repairing Ointment.

After about one week of using the product my skin dramatically healed. No redness, no dry
